Consult the [illegible] and let them help you in deciding upon your Insurance arrangements.

The [illegible] transacts the following classes of business at lowest current rates:—

FIRE. LIFE.

MARINE. MOTOR.

ACCIDENT.

ROYAL INSURANCE COMPANY, LIMITED.

(INCORPORATED IN GREAT BRITAIN)

(Liability of Shareholders limited)

SPECIAL NOTES.

A FIRE POLICY will protect your property, including personal effects, against Loss by Fire.

A LIFE POLICY with the "Royal" for an adequate amount is a compulsory saving which also gives immediate protection to your family in the event of your death and secures their independence. The Premiums charged are moderate and the method of payment can be adjusted to suit your particular circumstances.

For sixty years the "Royal" maintained an unbroken bonus record of Rs. 15 per thousand per annum, in spite of the fluctuations in the yield on investments caused by war and industrial disputes. This alone is an incontrovertible proof of the Company's security, for which the conservative investment policy adopted by its Directors is responsible.

In 1930, when the results of the past five years' working were examined, it was found possible to declare a Reversionary Bonus of Rs. 21 per thousand per annum in respect of the past quinquennium and in 1935 this rate was increased to Rs. 22 8.

MARINE. A "ROYAL" Policy covering personal baggage in transit by rail and/or steamer is a safeguard against loss.

MOTOR VEHICLES. The "ROYAL" issues Comprehensive Policies covering Private or Business Cars, Commercial Vehicles and Motor Cycles, which afford the Insured protection at moderate rates.

WORKMEN'S COMPENSATION.—Rates for this class of Insurance will be quoted on application.

Forms and Prospectuses can be obtained from any of the Company's Agents throughout India and Burma, or from :--
